No.Rc.12205/52.X-1. 18258/1952 Dated: 17- 2 -1952.

Sir,

Sub:-Establishment - Temporary - The Bellary Co-operative Milk Supply Society Ltd - -Bellary district- post of Junior Inspector - continuance for another year-sanction- requested.

Ref:-G.O.Ms.No.1005 - Development Department- dated 9-3-1951.

****

In their order cited, Government sanctioned the retention of the Junior Inspector working in the Bellary cooperative milk supply society Ltd. for a further period of one year from 27-2-1951 subject to the condition that 50% of his cost should be recovered from the society. The period of sanction will expire on 26-2-1952 A.N.

2. Due to the efforts of the Junior Inspector and the ameliorative staff in the district the production of milk in the society is increased from 75 Madras Measures per day in January 1951 to 183 Madras Measures per day in January 1952. Still, the society could not strengthen its financial condition after meeting its establishment and contingent charges besides half the cost of the Junior Inspector sanctioned in the G.O.cited. As on 31-12-1951 the society earned a meagre profit of Rs.13-1-0 only. Steps are being taken to convert the society into a union, to coordinate the activities of the four feeder societies proposed to be formed in the neighbourhood and to concentrate on the efficient distribution of milk at the headquarters. The society is supplying milk to the local Government hospital, Junior certified school and the Judicial Canteen besides supplying to individual consumers. The directors of the society are not able to devote as much time and attention as is required for the efficient administration and development of the society. My Additional Joint Registrar during his recent visit to the society chalked out a programme for the conversion of the society into a union and the necessary share capital is being collected for the purpose. It is necessary to continue the Junior Inspector for a further period of one year from 27-2-1952.

3. The financial condition of the society does not permit it to meet the cost of the Junior Inspector in full. I therefore request that Government may be pleased to sanction the retention of the Junior Inspector for a further period of one year from 27-2-1952, subject to the condition that 50% of his cost is recovered from the society.
